

# Homework #2

## Due Wed Sep 3

**Homework is due by 5:00 pm on the due date. Late homework will not be accepted.**

1. LeBlanc 1.9
2. LeBlanc 1.13
3. LeBlanc 1.14
4. LeBlanc 1.6 (here you need to do an integral numerically, you can do it in Excel using the trapezoid rule, or you can do it in Mathematica or Python using their built in routines).
