Greetings!

I am thrilled to announce that it is time once again for UOSA applications for funding, offices/cubicles, and storage lockers in the basement of the Union! Please remember that because of the fiscal year change, everyone should submit an application for ALL OF NEXT SCHOOL YEAR (July 2007 - May 2008).

Budget Applications:

The budget is available on the website at <http://www.ou.edu/uosabudget> and will require Microsoft Excel to complete. Please download the application and fill it out accordingly. All items that you list will be placed in Column B, all dollar amounts belong in Column C. If you have questions regarding any field you can read a descriptive comment by holding your mouse over the field in Column A for a few seconds. Once the application is completed, you must attach it in an email to [uosabudget@ou.edu](mailto:uosabudget@ou.edu) by 5pm, February 15, 2007. It is recommended that you save your sent messages as proof of when it was sent. By 5pm February 15, 2007 you must also schedule an interview with the UOSA Office by calling 325-5471 or by coming by OMU 181 during normal business hours. Interviews will be held February 19 - March 14 and will be casual dress. YOU MUST ATTEND AN INTERVIEW TO BE ELIGIBLE FOR FUNDING!

Orientation Meeting:

There will be an optional/informal orientation meeting for directions on how to complete the budget application held Tuesday, February 6 at 4pm and Wednesday, February 7 at 4pm. These will be identical meetings to accommodate all that want to attend.

Office/Cubicle Application:

These applications will be submitted in similar fashion to the budget application. The office/cubicle application is the first page of the Office/Cubicle and Locker Application available on the website, <http://www.ou.edu/uosabudget>. This application will require the use of Microsoft Word. Please answer the few questions directly in the application and attach it in an email to [uosabudget@ou.edu](mailto:uosabudget@ou.edu) by 5pm, February 15, 2007. No interview is required for an office/cubicle. These applications are to be submitted with the budget applications (so will be for the academic year) and will be handled by the UOSA Space Allocation Committee.

Storage Locker Application:

UOSA is very excited to provide this service for student organizations! The basement of the Union has had construction done to provide 21 storage lockers of varying sizes. The application for these new lockers is the second page of the Office/Cubicle and Locker Application. Please answer the few questions directly in the application and attach it in an email to [uosabudget@ou.edu](mailto:uosabudget@ou.edu) by 5pm, February 15, 2007. No interview is required for a locker. These applications are to be submitted with the budget applications (so will be for the academic year) and will be handled by the UOSA Space Allocation Committee.

Thank you all ahead of time for your diligence in preparing your applications and I look forward to meeting with each of you.

Thanks,

Jordan McGee

Chair, UOSA Budgetary Committee
