Professor. Mostafa El-Sayed, Editor
Journal of Physical Chemistry
770 State Street
School of Chemistry and Biochemistry
Georgia Institute of Technology
Atlanta, GA 30332-0400

30 January 2003

Dear Professor. El-Sayed,

Professor R. Bersohn special issue

I would like to support the idea of a special issue of the journal in honour of Professor Richard Bersohn. He has been one of the fathers of modern photodissociation theory and experiment.

My contribution to the issue would probably be on the topic of the ab initio calculation of vector correlation and alignment parameters.

Yours sincerely

G.G. Balint-Kurti
Professor of Theoretical Chemistry
