Neil:

Most definitely I will write a research article for Richard Bersohns issue of Phys. Chem. I am on travel now and will not be back for a couple weeks. because it is rather difficult, where I am, to do as you suggest, could you tell Mustafa that I will write a paper on Ultrafast structure intermediates in liquids by means of EXAFS. Also transmit to Richard my warmest wishes. I shall write to him as soon as I come back.

Sincerely,

Peter
