

SAVE THE DATE

Saturday May 6, 2017

The Homer L. Dodge Department of Physics & Astronomy personally invites you to join us in celebrating our prestigious faculty and outstanding staff members who after many years of dedicated service, have decided to retire.

In celebration of our colleagues, we have reserved the Sam Noble Museum **Saturday, May 6, 2017 from 6:00 p.m. – 10:00 p.m.** for a banquet style retirement celebration in honor of each of the following:

<u>NAME</u>	<u>YEARS OF SERVICE</u>
Dr. Ron Kantowski	48+ years
Dr. Gregory Parker	37+ years
Mr. Joel Young	36 years
Dr. Deborah Watson	35 years
Dr. Andrew (Andy) Feldt	35+ years
Dr. Richard (Dick) Henry	32 years
Dr. Kimball Milton	31+ years
Dr. John Moore-Furneauux	27+ years
Mr. William (Bill) See	27+ years
Ms. Adrienne Wade	25+ years

The atrium in Nielsen Hall will be open in the afternoon for Tea & Cookies as well as socializing with other alumni and retirees. Dr. Greg Parker will give a brief slide show presentation with information and updates on a new state-of-the-art laboratory building to be named Chun C. Lin Hall which is part of the Dodge Physics Complex (Nielsen and Lin Halls). **You will receive additional information as we move further along in the planning of this event.**

We hope to see you here!!!!
